Electives Corner - Community Engagement

The Electives Programme Community Engagement group has been very busy this term.

We began a partnership with the Bright Eyes Centre for visually impaired children in Bellevue Road, Musgrave. On our first visit on Tuesday 24 April 2018, our boys were taken on a tour of the Centre. The Boys then led the children in some interactive games (focusing on sound and textures), as well as helping around the Centre.

Our Boys now visit the Centre every Tuesday and have shown so much enthusiasm and commitment to ensuring that the time spent with these amazing children is meaningful. The joy it has brought us is immeasurable and we look forward to our continued interaction with them.

The second group of boys involved in the Community

Engagement Programme get together on Wednesdays. They were pleased to invite TAFTA (2 May 2018) and Childline (9 May 2018) to give presentations about their organisations, as well as to help us understand community engagement more clearly. Both presentations were very informative and eye-opening. It is important to support these organisations as they support the public and serve an important function in ensuring our rights are protected and that people in need have a place to go.

We look forward to having many other guest speakers as well developing more relationships with other NPO's to enhance our community as well as uplift those less fortunate than ourselves.

Ms Bisschoff Selected for KZN Darts!

Congratulations to our very own Ms Magteld "Buffy" Bisschoff who has been selected for KZN Darts for the third time!

She was first selected in 2016 and played at the SA Champs in Bloemfontein, she was selected again in 2012 when the SA Champs were held in Durban and this, her third year, the SA's are in Johannesburg.

A further indication of her talent is that she has also been selected twice to play for the eThekweni District side, 2016 and 2017, and has been chosen as Player of the Year twice and Most improved Player twice, by the Association for which she plays, the Durban West Dart Association.

Ms Bisschoff says the competition is extremely fierce

amongst the ladies in KZN. There are two Association teams from Durban itself, Durban West Darts (two teams) and Durban Central. There are also Associations from Amanzimtoti Pietermaritzburg, Chatsworth and Tongaat. A play-off had to be held for 6th place for the KZN side this year.

Ms Bisschoff has also played for the Durban West Association's A-team at the SA Champs since 2002. They have improved over the years from C-section to A-section and are regularly amongst the top 5 in the A-section.

Ms Bisschoff is the M-i-C of Darts at DHS and her classroom is turned into a games room in the afternoons when the dartboard goes up and the tables and chairs are cleared away!

RUGBY vs MARITZBURG COLLEGE

1st XV vs Maritzburg College : Match Report

The annual fixture against our oldest rivals, Maritzburg College, is always a massive occasion and provides us with a guaranteed test in physicality. It was to be an exciting game, with the Horseflies running out 45-30 victors and ensuring two consecutive victories on the trot against our respected foes.

Our emphasis in training this week was largely focused on our physicality at the breakdown and the boys showed their commitment to this cause as they out rucked their opponents throughout. It was this brutality at the breakdown that set up the platform for some front foot ball and allowed DHS to score seven tries on the day, ensuring our first home win over College in more than a decade.

College, however, had the best of the opening exchanges as "School" looked to play too much from deep early on. The school team lacked discipline throughout the match and conceded numerous penalties that allowed College a foothold in the game. College took a 6-point lead before a break from Captain, Celimpilo Gumede,

allowed Hooker, Stoney Stenekamp, to race through under the sticks. DHS found some rhythm after this and were able to add two more tries through Centre, Lwandile Menze, and Captain Gumede. Unfortunately, School conceded just before half time to keep the game a tightly contested affair at 19-16 in favour of the hosts.

The second half saw DHS draw first blood as Celimpilo Gumede scored another try, only to concede again straight after from a grubber that fortuitously bounced into the hands of a College attacker. The game looked poised to be a nail biter as both teams traded blows with each other. It was DHS, however, who seized the advantage, with an excellent skip pass from replacement Scrumhalf, Darren Booyesen, who found replacement Winger, Ulrich Brown, to race through untouched to take the DHS lead to 31-23. Flyhalf, Shakur La Douce, added an excellent conversion from the by-line. DHS created some breathing room for themselves as Flanker, Asande Mnguni, scored for DHS from a well-worked lineout drive ensuring "School" rumbled over from 5m out.

In true College fashion, they never stopped fighting and responded with another try to keep the score line to 8 points.

However, DHS was proving too creative on attack and their interlink play ensured another try for Brown and DHS restored the 15 point buffer.

The final whistle drew a close to an entertaining affair, DHS the victors with a 45-30 result. "School" played with their usual brand of rugby "keeping the ball alive" but added a new zest at the breakdown to ensure a thrilling victory over their respected opponents.
