## DHS 1<sup>st</sup> XI Football Wins the Cowie Cup!

The Cowie Cup, named after Dr Trevor Cowie, was introduced to Football this year. Dr Cowie, whose input and influence in school boy Football in our province has been tremendous, is the Executive Chairman of the KZN High Schools Football Association and Deputy Headmaster at Westville Boys' High School.

The Cowie Cup is to become an annual event. It is a competition for 1st teams and is played mid-week in the latter part of the 3rd Term. Eighteen schools started the competition this year, with the final 8 teams being Westville Boys', Clifton College, Northwood, Pinetown Boys', Port Shepstone High, Maritzburg College and DHS.

Some epic Football was played throughout the competition. DHS beat Clifton in the semi-final and Northwood in the final, culminating in DHS being crowned "Kings of KZN"!

### **Match Report : Final of Cowie Cup - DHS vs Northwood**

After a term of thrilling Cup Football, DHS took on local rivals Northwood in the final of the inaugural Cowie Cup at Northwood on Wednesday 28 August.

It was all DHS in the early exchanges and they deservedly took the lead

when Khaya Hlomuka finished after some excellent work for Jazmin Staplefeldt on the left.

The lead should have been doubled before half time, with good chances falling to Thyssen and Staplefeldt as School continued to pile on the pressure. Northwood's threats were restricted to set plays, most of which were dealt with comfortably.

The second half started much the same, however, with 15 minutes left to play Northwood scored with a strike from range, which shifted the momentum. Suddenly it was Northwood applying the pressure and only some great defending from Reddy stopped Northwood taking the lead. With only 20 seconds remaining, and the game looking certain to go to penalties, the man of the match Andile Langazane made a great run down the right-wing and crossed the ball. The defender could only partly clear and Bahle Made crisply finished in the top corner from the edge of the box.

2-1 finish to DHS, crowning them Kings of KZN and the 1<sup>st</sup> Cowie Cup winners!

## DHS Appoints New U14A Cricket Coach!

Durban High School is very pleased to announce the appointment of Craig Yelverton as the U14A Cricket Coach.

Craig is a talented all-rounder cricketer who played as a left-handed top-order batsman and left arm seamer. During his career he has represented the 1<sup>st</sup> XI teams for both Berea Rovers CC and Crusaders CC.

Craig has also represented the KZN Zonal U23 District Team and has represented Futura Sports Agency in many academy games throughout South Africa for many years.

Craig has taken his passion for the game into the coaching and management of sportsmen, where he is excelling. Between coaching for and being the Director of Cricket at Futura Sports Agency, Craig has worked as a private cricket coach under the FSA banner for many years. This has exposed him to other sides of the game and better prepared him to understand players'

frustrations. It has also empowered him through experience to perceive what is needed to assist players reach their full potential.

Craig has achieved significant results as the Berea Rovers Assistant Coach and Head Coach, Northwood School High Performance Specialist Coach, Chatsworth Sporting Head Coach and Head Coach of the Club North Down Cricket Club in Ireland.

Being exposed to many cricketers at all levels, Craig knows exactly what to look for in a player to identify if they have that "X-factor". He also identifies the best way to nurture a player's talent and recognizes when best to expose them to the levels they are ready for. He is all about building up a player's confidence and ability so that when they move up the levels and reach their full potential, there is no reason they will not succeed.

We welcome Craig to DHS and trust he will have a long and fruitful stay with us.

## Extra-Mural Results

### FOOTBALL vs CLIFTON : COWIE CUP SEMI-FINAL

#### 1<sup>st</sup> XI Match Report:

Monday 26 August 2019 saw the School first-team take on Clifton College in the semi-final of Cowie Cup.

The game promised to be a tense affair, with both schools having enjoyed successful seasons so far.

School were faster out the blocks and applied pressure on the Clifton goal, winning several set pieces. The pressure told when, from a corner, Andile Langazane scored with his head at the far post. Despite Clifton creating a few half chances from errors in the DHS build-up, it was DHS who finished the half strongest and should have gone into the break two-nil up.

In the second half DHS really stepped up their play, scoring through Langazane again and easing to a 2-0 win.

They now take on Northwood in the final at Northwood on Wednesday 28 August at 17h00.

### FOOTBALL vs GLENWOOD

#### 1<sup>st</sup> XI Match Report:

Saturday 24 August, Durban High School's 1<sup>st</sup> XI Football team hosted cross-town rivals, Glenwood high School. The encounter was played on the hallowed turf of Van Heerden Field.

The Glenwood side started off the stronger of the two teams as they looked to defend aggressively, pressing the home side high up the field and looking to pounce on their mistakes. This tactic proved beneficial for Glenwood as the DHS boys made a few questionable decisions in possession and on defence in their own half, which can be attributed to

early game jitters getting the better of the DHS defenders. One mistake too many, and the Glenwood boys managed to score after having an initial chance hit the crossbar.

From the 20<sup>th</sup> minute till the end of the first half saw a revival from the DHS boys as they took control of the game through some good old fashioned dog fight, winning their physical duels and being more aggressive in possession, dribbling and passing the ball forward. This led to a late penalty being awarded after a Glenwood player handled the ball in the box. DHS boys squandered this opportunity to equal the game, both teams going back to the change-rooms with the score at 1-0, advantage Glenwood.

The second half was a one sided affair, with DHS dominant. The effort levels from the boys in blue was enormous as they chased down every loose ball, leapt valiantly for every aerial duel and had the courage to constantly want possession of the ball. This attacking pressure created a glorious goal and equaliser, which was converted by Spesihe Mthembu.

With 15 minutes left in the encounter, Durban High School went for the win, with wave after wave of attacks being launched at the opposition. This was to no avail as this great derby game finished as a 1-1 draw, with both teams sharing the spoils.
