From the Head Master's Desk

The second term of 2017 has certainly been an eventful one, and personally very rewarding. It has been very gratifying to receive the support of the boys, parents, staff and passionate Old Boys of School. While there is much to do, there is no shortage of willingness from all parties.

Obviously, a stand out feature of the term has been the success of the 1st Rugby XV. We all gained immense pride, not only from their results, but more importantly from their style of play and dignified conduct throughout. I commend Mr Scott Mathie and his coaching staff of all teams for their commitment. A big thank you to coaches and staff of all activities. Special mention must also be made of our Chess Team which is unbeaten in KZN, as well as our 1st Badminton Team.

A favourite highlight of mine is the lunchtime music concerts on Thursdays, held in the Chris Seabrooke Music Centre. It is wonderful listening to the amazing talent of boys in a venue that encourages their pursuits. Well done to Ms Rungan in showcasing the talent of these boys.

On a more sombre note, we hosted the Memorial Service of Old Boy, Lorenzo Rodrigues who heroically gave his life in saving the lives of others in his unit of the French Legion. Lorenzo was passionate about DHS and embodied all the values of the

school and ultimately the value of Courage. The world needs more heroes as role models.

We also say farewell to two staff members who will be moving abroad to teach. Mr Sooriah, in the Dramatic Arts Department and Mr Maharaj, from the Life Sciences Department, will both leave to teach in Asia and we wish them all the best in the next stage of their lives. They will be missed by the DHS family. We do however welcome new staff to DHS next term and wish Mr Gavin Goodwin, Mr Steve La Marque and Ms Leigh Meyer all the best in the years ahead. I know that DHS will get into your hearts and that you will enjoy your time at this great school.

There are many exciting initiatives that will be rolled out and it certainly is an exciting time to be on the Blue Train. I encourage all members of the DHS family to get involved in some way or another. It is our duty.

Good luck to all boys and staff participating in activities during the holidays.

Finally, thank you to ALL staff for their efforts throughout the term and support given to me. Enjoy the holidays.

Deo Fretus!

Holiday Activities

Three weeks of holiday are about to start; however, that does not mean we will be resting. It is a very busy holiday, with a large number of activities, ranging from Football, to Chess, Debating, Rugby and a Creative Arts Holiday Programme.

Three of our Debating boys left this morning to represent the Durban and Coastal League at the annual KZN Provincial Champs at Hillcrest High. The Champs take place today and tomorrow.

Durban High School is hosting a Football Festival from 1 to 3 July, following on from the success of the inaugural festival held during the 150th celebrations last year. Ten schools from around the country will be playing 30 games over three days and we are expecting to see some very attractive Football. Games will be played from 9am until 3pm each day, the fixtures can be found on page 3 of this newsletter or on our Facebook page. Do come along to support our Festival and our Boys.

The U14, U15 and U16 Football teams will all be participating in Football tournaments at DHS, Westville Boys' and Pinetown Boys' on 5 July.

In addition, a Football Coaches workshop run by Clive Barker is

Chris Seabrooke Music Centre Creative Arts Holiday Program

Keeping the children busy these holidays has never been easier! If your child is between the ages of 8 and 15, book their space at the Creative Arts Holiday Programme to be held at the Chris Seabrooke Music Centre at Durban High School from Monday 10 July to Friday 14 July.

This exciting new addition to the holidays will comprise of music classes by industry professionals from the likes of Natalie Rungan, Bruce Baker and Phumlani Mtiti who will teach children to play a variety of instruments, as well as develop and enhance vocal

abilities. Children will also play fun musical games and make new friends; and for those who can already play a musical instrument, you are encouraged to bring it along to have a "jam session" with other aspiring musicians.

For added entertainment, kids can participate in cupcake decorating, card making and other fun activities. Throughout the duration of the programme, children also stand a chance to win prizes through Marshall Music in Umhlanga.

To be a part of this programme, the cost is R100 per child per day from 8am till 1pm. Email musicadmin@durbanhighschool.co.za to find out more and to request a registration form. T's & C's apply.

"The program is designed to give students a musical experience and opportunity in a supportive, fun environment, guided by CSMC premier musicians and teachers," says Natalie Rungan, Director of the Music Centre at Durban High School and well-known name in the music industry.
