Marketing @ DHS

The Durban High School Marketing Department has had a very busy and successful couple of weeks.

At this time of year school visits and school exhibitions are the order of the day. The Marketing team has attended school exhibits at Chelsea Prep, Glenwood Prep, Manor Gardens, Mtunzini Primary, Heuwelland Primary and Hillcrest Primary. Next week they will be attending exhibits at Umhlali Primary, Darnall Primary and Izotsha Primary and an Information evening at DPHS.

In addition, School hosted a very successful Open Information evening for parents and boys from all primary schools on Tuesday 13 February. The turn-out was incredible; the visitors could not all fit into our hall. An estimated well over 1000 people attended and the feedback received was positive and exciting. Our boys

did us proud when they escorted the visitors in groups on tours around the school, leaving a lasting impression.

In addition, School has left its mark at the entrance to the Harbour, where we have sponsored beach umbrellas at the new home of the popular Point Watersport Club ... the blue and gold stamp can clearly be seen by all who pass by.

Finally, and most exciting of all, School has released a promotional video which leaves a lump in the throat and a tightness in the chest in all who watch it as the pride and passion it invokes swells up. Please watch it on our Facebook page or on Youtube ... you don't want to miss it!

Sanele Nohamba is Craven Week Player of 2017

Sanele is Named Craven Week Player of 2017!

On Friday SA Rugby announced the winners of the 2017 SA Rugby Awards and we are delighted that our SA Schools scrumhalf from last year, Sanele Nohamba, was named the Craven Week Player of 2017. This is the first time a DHS player, a KZN player and a scrumhalf has won this title.

Sanele completed his Matric at Durban High School last year. He played for the Durban High School 1st XV and 1st 7s Rugby and was selected for SA Schools for both.

Sanele is currently a member of the Sharks Academy, a world-

class rugby academy accredited by SA Rugby.

"We are ecstatic to have another pupil from Durban High School showcase their talent. We are so proud of Sanele's achievements and are certain that he will go on to be a successful sportsman. Congratulations to you, Sanele!" said his 1st XV Rugby Coach, Scott Mathie, a former Sharks player who also played Scrumhalf. Congratulations, Sanele, on another fine achievement. We are all so incredibly proud of you and will be watching your progress with great interest.

Grade 11 Business Studies Excursion

The Grade 11 Business Studies learners were taken on a tour of ABI Bottling plant, one of the largest producers and distributors of the Coca-Cola Company brands in the southern hemisphere.

Learners got to see the production line of various soft

drinks and received a free soft drink to drink on the premises while they watch the educational video on the history of Coca-Cola and the ABI Bottling Plant production.

Poetry Club Open Mic

Durban High School's Poetry Club played host to the first Open Mic event of the year at Durban High School, on 9 February 2018.

Poets from all surrounding schools were invited to attend. Although the Chris Seabrooke's Theatre was unavailable, owing to it being painted in preparation for our up and coming stage production (which we are very excited about!), our poets were undeterred and were enthusiastic about making a success of the Open Mic event.

The steps in the foyer to the Chris Seabrooke's Theatre was quickly transformed into a stage and the room was soon filled with learners from Clifton High School, George Campbell School of Technology, Curro Embury College, Durban Girls' High School and of course our own Durban High School boys.

Our first Open Mic event was a huge success with no less than 13 of our boys performing on the day. We look forward to hosting the next one!

ATHLETICS : DURBAN / UMLAZI DISTRICT CENTRAL CIRCUIT TRIALS

About 35 DHS athletes, accompanied by coaches Charné Gous and Edwin Govender as well as M-i-C, Mr W Goodwin, attended the aforementioned trials which were held at Kings Park Stadium. In slightly cooler than expected weather conditions, the trials commenced slightly behind schedule. However, several items on the athletics programme were discarded: hammer throw, pole vault, steeple chase and the 5000m walk, allowing the delays to be accommodated.

After a hectic day of trials which included 11 heats in the boys U15 100m, the following athletes were selected to attend the next round of District trials. These will take place at the Chatsworth Stadium on Tuesday, 20 February. The selected athletes achieved overall 1st, 2nd, 3rd places, thus justifying and confirming their selections:

SAILING CLUB

Sunday 11 February surprised everyone by turning into the most amazing sailing day, against all predictions! We had nice cloud cover and good wind which saw the DHS sailors getting some great sailing time on the water on the Tera's and the Halcats. We even managed to get some parents out on the water to share in the experience.

Many thanks to Mrs Jennifer Weyer who gives freely of her time to coach the boys on these days. Anyone is welcome to come down on these training days if they are keen to try the sport out.

The next Dinghy sailing day will be Sunday 25 February. This coming weekend is the Midmar 9 hour Endurance race and our team will be represented by Joshua and Cameron Crickmore who will be participating in the race. We wish them well!

KZN CLIMBING SERIES

Round 1 of the KZN Climbing Series took place at Southern Rock, a professional climbing gym situated in New Germany. This round saw our climbers faced with 15 challenging problems set in a world class gym.

Round 2 was held at Westville Girls' High. This venue featured some very technical problems on a steeply inclined wall. This aside, our boys attacked the
