## Excitement at School with start of Electives and Classroom Upgrades!

### Start of the Electives Programme

We have had an exciting week with the start of the Electives programme. Registration went smoothly on Monday, especially considering that 800+ boys were starting something new! A few ended up in the wrong place, but the one or two hiccups were quickly sorted out and the programmes were soon in full swing.

The programme will run until the end of the term, if any problems are encountered, they will be fixed and the 1st Semester of the programme will start again in the 2nd term. A 2nd semester of electives will be run in the 3rd and 4th term.

The list of electives available is quite extensive and the Boys were spoilt for choice. Word on the street is that the boys are certainly enjoying them. We will keep you informed as to how they progress.

### Classroom Upgrades Begin!

It wasn't only the Electives that started on Monday ... the much anticipated classroom upgrades also began!

One classroom at a time is going to be tackled, starting in the oldest part of the School, the Science Block.

And judging by the progress on the first day, it is not going to take very long!

We are looking at approximately 2 weeks per classroom and each classroom will have doors and windows replaced where necessary, will be painted, fitted with skirting and ducting, and be furnished with new white boards, notice boards, desks and chairs.

We are not sure who is more excited ... the Boys or the Staff!

We will keep you posted on progress.

## Celimpilo is Selected for U18 Elite Player Development

Congratulations to our Deputy Head Prefect, Celimpilo Gumede, who has been selected by The Elite Player Development Department of the South African Rugby Union, and National selectors, to attend a Trial Camp at the Stellenbosch Sport Academy from 18 to 21 March 2018.

His selection is a testament to his abilities and we are extremely proud of him.

Celimpilo is a double SA representative, having been selected for SA in both 15-man and 7-man Rugby.

He may be off to Stellenbosch next weekend, but this

weekend he is participating in the Windhoek International 7s Tournament being held at Windhoek Gymnasium Private School on 9 and 10 March, representing the SA U18 Academy squad.

Celimpilo will be adding international experience to the squad as he represented SA at the same tournament in Windhoek last year. The tournament features six teams, including Namibia, Germany, Botswana, Zimbabwe and Zambia.

All the best, Celimpilo, we know you will do us, and our country, proud.

## Rowers Win Bronze @ SA Champs!

The DHS Rowing team had a very busy and rewarding experience at the South African School Champs at Rooderplaas Dam this past weekend.

Most of the races took place on Saturday, with the Junior Mens/Boys U16 Double Scull (JM/BU16 2x) taking place in the morning.

Londa Zungu and Awande Ndlovu placed 6<sup>th</sup> and Rowan van Rooyen and Luyanda Koboka placed 7<sup>th</sup> in their respective heats.

The U19s were very pleased to come away with medals for their third place. They were entered in the clubs event representing our partnership with Durban Rowing Club. The quad consisted of Durban Rowing Club juniors (boys younger than 19) from both Durban High School and Glenwood High School.

Their boat was manned by Danken Ellis (DHS), Caillin

Mathys (DHS), Tholinlanhla 'Tallinch' Ndwandwe (DHS), Grant Kennard (Glenwood) and was coaxed by Liam Gordon (DHS). Well done on your Bronze, Gentlemen!

On the Sunday our U16 quad had a very tough heat; they were up against some very experienced crews and the boys missed out on the final for their JM/BU16 4x+ schools event.

Rowing is a very team orientated sport, even in a scull (1 rower with two oars) or a double (2 rowers each having two oars).

Team members help each other carry boats and oars to the water, they help each other onto the water by making sure all is steady as the crew boats, and it is the team that supports and motivates each other to achieve, and to improve upon those achievements.

Well done, Gentlemen!
