Durban High School
Head Master : A D Pinheiro

Founders Day 2018!

This year Durban High School will be celebrating its 152nd Birthday, with the usual excitement. Founders Day is on Saturday 2 June, with various events being held in the week preceding it.

On Wednesday 30 May the Head Master, Mr Pinheiro, together with the Head Prefect, Zakariya Adam, and Prefects will be having tea with the DHS Old Boys who live at the Caister Lodge. Some of our Music boys will accompany them to provide entertainment for our Old Boys.

Also on Wednesday, our boys and staff will all receive a piece of birthday cake to celebrate the School's 152nd Birthday! Yay!

The DHS Foundation Trust Old Boys Golf Day takes place on Thursday 31 May at the Royal Durban Golf Club, with tee offs from 10h30. Proceeds of the day are used to award bursaries to deserving DHS Boys.

We are delighted to have a full field of golfers already, but in order to ensure the Golf Day is a success, prizes and sponsors are needed. We would like to appeal to the DHS community to assist with this. If you are able to help please contact Candice Herbst on cherbst@dhsfoundaiton.co.za Sponsorship forms are available from Mrs Herbst or the Communicator.

Friday 1 June will be a very busy day, with a number of

celebrations taking place. First up is the Founders Day Assembly at 8am in the DC Thompson Hall. All the Old Boys of Durban High School are invited to attend this Special Assembly which is held to honour them. Special Guest at the Assembly will be Old Boy Mr Michael Goss, Class of 1968. Tea will be served after the ceremony.

The DHS Foundation Trust's Old Boy Dinner also takes place on the Friday evening from 19h30 in the DC Thompson Hall. All Old Boys are invited to attend and will be seated in their respective years. For further information and to book your tickets, please contact Candice Herbst.

Finally, Founders Day itself will be held on the Saturday, with Rugby fixtures being played against Westville Boys' High School. Games begin at 08h30 and the 1st XV kick off at 14h15. Mr Michael Goss is to be the special guest for the day. The traditional Sundowners Cocktail Party will be held in the DC Thompson Hall after the 1st team game.

Founders Day is a compulsory attendance for all our Boys from 11h30 until after the 1st XV game. We would also like to ask our boys to please bring a plate of eats or two for tea.

We look forward to another great week of celebrating this fine School!

Members of the AutoCad Electives class hard at work ...

Coach Letha has been selected as Head Coach of the Men's National University Basketball Team

Electives Corner - AutoCad Classes

The boys have enjoyed the AutoCad lessons; some more than others. It is at a different pace in some respects. There are always three to four different ways to get the same result with AutoCad. It gives them the opportunity to practice other approaches when drawing. If they can do something faster it is better and they then have the advantage to better opportunities.

Mr L Girodo
M-i-C : AutoCad

"AutoCad is an elective that is very educational and advances our changes of being the engineers we want to be one day. It is very interesting and intriguing and keeps us in suspense every time we learn and experience new things. Therefore, I would recommend this elective to everyone simply because I enjoy every lesson that there is to AutoCad."

Kyle Madlala : Grade 11

"I personally feel that this Elective is very productive as it equips us with the skills and practical knowledge of AutoCad. This helps myself as well as others a lot as we apply these skills in our E60 lessons and will continue to apply them in future career fields."

Pranav Harichand : Grade 11

"I feel the AutoCad elective has really helped as we are taught step-by-step methods which simplify the drawing for us. There is no rush for the syllabus so we are able to move at a slower pace and understand in depth."

Kaylen Varden: Grade 11

"I feel the AutoCad elective reinforces the methods of using AutoCad and encourages us to complete and find easier ways to complete tasks. With the AutoCad elective there is always an extra helping hand for guys like me who have a hard time grasping the concepts."

Cameron Ragbar : Grade 11

Coach Letha Selected as Head Coach

Congratulations to Coach Letha Zulu, coach of the DHS 1st Basketball Team and M-i-C of Basketball, who has been appointed as the Head Coach of the Men's National University Basketball team which will participate in the CUCSA Games in Botswana in June.

Coach Letha coaches the UKZN Basketball team which made history last year when they reached the Finals of the University Sports South Africa (USSA) Tournament. This was the first time the team reached the Finals and the first year that Coach Letha coached them. As a result of his success, he was invited to apply for the position as Head Coach; he is also the most qualified Basketball Coach in the country at USSA.

Coach Letha has been traveling around the country every

weekend, scouting the provinces for players, funded by NUSA (National University Sports Association).

The national Basketball team will be attending a training camp in Pretoria prior to leaving for Botswana on 16 June to attend the CUCSA Games at the University of Botswana Indoor Sports Complex in Gabarone. The Tournament runs from 17 to 22 June and will be attended by 10 African countries who will all participate in different sporting codes.

Coach Letha says he is looking forward to coaching the team and to being reunited with Thabo Sithole, who is at UKZN, and Skhumbuzo Mthembu, who is at UJ - both DHS Old boys, they are Basketball Captains at their respective institutions.

Congratulations, Coach Letha!

RUGBY vs WESTVILLE BOYS'

1st XV vs Westville : Match Report

Durban High School made the trip up the road to the leafy suburbs to take on Westville Boys' for the first encounter of this season's double-header. It was to be a triumphant day for "School" as they ran in 9 tries to come away with a dominant 60-10 win, thus ensuring that the last two visits to Westville resulted in victories.

Although DHS ran away comfortable winners, they struggled to grab hold of the game early on as they conceded a litany of penalties that helped Westville break up any momentum they had created. However, DHS were able to draw first blood through a well-worked drive that saw DHS take the lead. Westville, however, were able to secure a try of their own after an overthrow of a lineout on the DHS 5m line saw an easy try gifted to Westville.

The DHS scrum was excellent on the day, securing four tight-heads and creating a strong platform on which to build. Both Props, Marcel Nel and Mthokozisi Gumede, played extremely well both in the tight and the loose and are staking a major Craven Week claim this year.

DHS stuttered through the first half, but were able to secure another try after some good carries by Nel and M Gumede, resulting in the latter crashing over after some good leg drive. The half drew to a close, but not before DHS added some more points on the board with Lock, Avumile Bongco, executing a well-timed pass to Nel who cantered up the field before passing to burly Flank, Stoney Stenekamp, who crashed over for the try. DHS led 20-5 at the break.

The "Horseflies" second half performance was a better one as they capitalised on the Westville turnovers. Some excellent interlink play led to Centre, Macneil Jenner, scampering over to add more woe to the Westville cause. Captain and Eighth man, Celimpilo Gumede, was also in excellent form as he added to his try tally from a pick and go from a 5m scrum close to the line. This was on top of his earlier effort after he collected a nicely timed offload before side stepping an opponent and galloping 30m to score in the corner.

Scrumhalf, Jaydian Cedares, was next to issue a killer blow, as he received a pass from C Gumede who in turn prospered from a bullocking run by Nel, ensuring a try for the diminutive 9. Cedares was in the action again shortly after as his well-timed kick was superbly chased by Wing, Malusi Ntuli, who raced around some Westville defenders to dot down in the corner. Finally, the rout was completed as Prop Gumede showed some soccer kills close to the try line to dot down and complete a memorable day for the Durban High School.

The victory was not the "Horseflies" most complete performance, but they showed glimpses of what is possible when their continuity game comes alive.
