Handover of New Classrooms

Today, The DHS Foundation Trust officially handed over to the School three newly revamped, refurbished and upgraded classrooms.

These three classrooms are the first to be completed in the start of an ongoing project by the Foundation to upgrade every single classroom at Durban High School.

Head Master, Mr AD Pinheiro, opened the small handover ceremony and thanked the School's maintenance team for their hard work, the educators for their valuable input and the Foundation for making it all happen.

CEO of The DHS Foundation, Mr Louis Ardé, then thanked the Old Boys of Durban High School whose generous support and contributions have made the project possible.

He thanked all involved: contractor Mark Zeller, Maintenance Managers Gerhardt Aylward and Mike Maree, Head of IT at DHS Lynne Worth, GB Parent Richard Smith and service providers NuTech. He also thanked the members of the maintenance team, Jabulani and Lucas Sibiya and Musa for an excellent job and educators Michelle and Len Girodo for their hours spent on the input. Rob Mutch and Candice Herbst of the Foundation were also thanked for their contribution.

Mr Ardé said that every classroom reflected the

personality of the teacher and the ethos of the School. The new classrooms were something to be proud of. The remainder of the classrooms would be revamped in due course and Mr Ardé said he would like to give Staff an incentive by introducing a termly "Best Classroom" competition to encourage them and the Boys to further enhance and embrace their classrooms.

Mrs Neave, an HOD at DHS and one of the recipients of a new classroom, responded by saying what a fantastic feeling it was to be presented with the wonderful classrooms and they were all looking forward to settling into them during the holidays.

The classrooms have had a new aluminum entrance door and windows fitted, with tinted glass to keep the rooms cool and negate the need for curtains and blinds. The walls have been beautifully painted and they have been fitted with new white boards, pin boards, desks, navy blue chairs, special desks and chairs for the educators and storage facilities.

The classrooms look stunning and we are all incredibly grateful to the Foundation and the Old Boys of Durban High School for providing the means to make this project possible and to the team who put it all together and to make life more comfortable and pleasant for our Boys ... we are so proud of the transformation that is happening at our fine School!

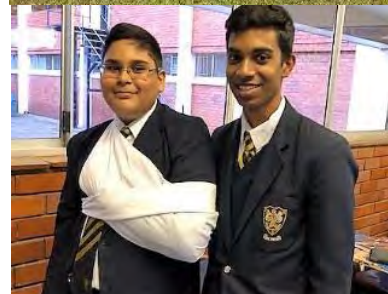

Mr Ardé and Mr Pinheiro

Ms Kistiah, Mrs Neave and Ms Sprunt

The First Aid Team!

Electives Corner - First Aid

Rescue Care were asked to facilitate a First Aid course as an elective subject this semester. The 17 DHS Boys who took part were taught a Level 1 First Aid course which included basic first aid and CPR. Boys who completed the practical and theory assessment will be awarded a First Aid Level 1 certificate.

Jodi Jamieson
Rescue Care : Director

Through the guidance of Rescue Care personnel, the First Aid elective has taught us invaluable information. We are expected to perform tasks to the best of our abilities, whilst being mindful of the fact that we are responsible for the wellbeing of others. We learnt procedures that are vital for sustaining life through theoretical content as well as practical experience.

This course has taught us the necessary techniques to apply in emergency situations in order to stabilise injuries or suspected injuries, in order to prevent further negative impacts of said

Naseem is a Chess Star!

Naseem is a Chess Star! Naseem Essa spent the best part of his Easter holiday (8 days) participating in the South African Junior Closed Chess Championship in Benoni.

He represented KZN in the U16 division. The tournament attracts the top players from categories U8 to U18 and is by invitation.

After a disappointing start to the tournament Naseem finished 8th out of a field of 26 players.

He is now eligible to participate in the U16 World Chess Olympiad held in Turkey from the 26 November to 6 December

emergency. You will then be able to say, "I made a difference".

Senthan Naicker
Grade 11H

Rescue Care has come on board to assist with the practical and theoretical training of our Boys so that they can qualify as level one First Aiders.

The Boys thoroughly enjoy the First Aid elective and some have had the opportunity to put in to practise what they have learnt by becoming involved with the School's First Aid team.

In addition, Rescue Care sponsored the First Aid team T-shirts, which were handed out by Ian, their Events Manager, on Founders Day.

Many thanks to Rescue Care for always being willing to assist 'School', under the guidance of Garrath and Jodi Jamieson.

Ms S Francis
M-i-C : First Aid

2018 and the Commonwealth Chess Championship held in New Delhi in July.

Naseem is in the first year of the U16 grouping and hopes to do better in the 2nd leg next year. Well done, Naseem and good luck.
