## Andrew Shedlock - Director of Cricket

Andrew "Shedders" Shedlock, the new Director of Cricket at Durban High School, is a University of Stellenbosch sports science graduate and internationally respected coach and cricket-specific fitness and conditioning consultant, with the CV to prove it.

Andrew is a DHS Old Boy (Class of 1981) and was a top international sportsman in his day, captaining the SA Schools Water Polo team and representing South Africa in Men's Water Polo. His name can be found on the honours' board in the Hall foyer.

However, it was on coaching Cricket that he focussed his career and he returns to DHS with an impressive set of credentials. For the last 25 years Andrew has coached at several levels of the game, from coaching the KZN Provincial U19 Team, to the KZN "B" Team, to assisting Graham Ford and Eldine Baptiste in the coaching of the KZN Dolphins. He was the Head Coach and Manager of the KZN Dolphins Cricket Academy. Hashim Amla (Proteas), Imran Khan (Proteas), Yusuf Abdulla (Proteas 20/20), Daryn Smit (SA A) and Ahmed Amla were under his direct supervision in this academy. He also coached and worked extensively with Lance Klusener, Jonty Rhodes and Shaun Pollock.

Andrew was assistant coach for the Royal Bengal Tigers in the ICL league for two years and this gave him opportunity to work with International players such as Rohan Gavaskar, Deep Das Gupta, Craig McMillan, Hamish Marshall and Andre Adams. More

recently he was the Head Coach of the Gemini Arabians in the MCL in 2016. The team won the 2016 Tournament held in Dubai. As coach of this team, he worked with greats such as Virender Sehwag, Kumar Sangakkara, and Muttiah Muralitharan.

In 2003 Andrew established, and continues to run, a successful private academy called Shedders Cricket Academy. He works with youngsters from school age through to professionals. His Academy operates from the DHS Indoor Cricket Centre and his premises in Durban North.

Andrew is excited to be back at DHS, the place which gave him a first-class grounding. His goal is to nurture DHS cricket back to what it was in its heyday, a world renowned cricketing school. He says he knows it will take time and not happen overnight, however, he believes School has the talented players who have the ability to obtain the results; we need to give guidance to improve play and secure as many wins as possible, thereby instilling self-confidence. His initial goal is for the DHS teams to play good, positive cricket, to believe in themselves and to bring back pride and a winning culture.

To this end, Andrew has reintroduced pre-season friendlies to ready our players for the season. In addition, he will be running an U17 cricket festival at School in October. He also aims to bring back traditions and to re-establish the link with Old Boys via the return of the 1<sup>st</sup> XI vs Old Boys game.

## Sithokozile & Community Service

On Friday, 17 August 2018 Durban High School had the honour of visiting Sithokozile Secondary School in KwaDabheka.

The reason for the event was for staff and learners from these two very different schools to interact and get to know each other as part of a community outreach/interaction and educational development programme.

The afternoon began with a warm welcome by Miss Nunoo (from America). We were then given an inspiring address by Mrs Dlamini (HOD) who emphasised the importance of educational institutions sharing knowledge, skills and resources to further education in South Africa. We were then treated to refreshments and snacks in the school library and staff and learners had a chance to interact and get to know each other.

The day then proceeded with activities for the afternoon. Chess matches were held which we all watched with excitement as our boys and Sithokozile played a friendly match; both were excellent but our boys managed to seize victory.

Our future young leaders (RCL and Debating teams) took part in a Forum Discussion with a thought-provoking topic which is an issue we are faced with in our everyday life - socio-economic factors which lead to

revival in Cricket at the school with the proudest cricketing history in the country.

poor academic performance of women both in urban and rural areas. The learners critically evaluated this topic, talking and giving their opinions and solutions to this issue. It is reassuring to know that South Africa is indeed in great hands with the youth we have today.

Performances of Poetry blessed and our souls and we were touched by the voices of the learners doing poetic justice with their emotional words and showcasing their creative writing talents. Poetry was recited both in English and isiZulu and we were all left so inspired.

At the end of the enjoyable afternoon Mr Fundoh extended his thank you to Durban High School and expressed his gratitude for the partnership that has been developed.

Sithokozile Secondary School is an under-resourced school in a poverty stricken area, but the dedication, drive and talent of the staff and learners is world class.

What I took away from the day was these inspiring words from a Staff member: "You were blessed with the great opportunity of going to a prestigious school, grab that opportunity with both your arms and legs. God chose you because he sees greatness in you, not everyone is lucky therefore use that luck to the fullest so you can help to uplift

those who weren't as lucky to have the same opportunity as you."

Thank you to all the staff and boys who participated in this event; your time and effort is greatly appreciated.

I would like to take this opportunity to also thank the Boys and Staff of DHS for all the donations and support for Bright Eyes Centre; we managed to raise just under R6000.

I would also like to extend a thank you to all those who supported the DYC blue ribbon project in support against child abuse.

## isiZulu Cultural Evening

The annual isiZulu Cultural Evening was held on Friday 17 August at Durban High School. The hosts for the evening were Mfundo Mkhize and Josh Murray, both in Grade 12. The show opened with a dedication by Taine Owen (Grade 11) and a welcome from Head Master, Mr AD Pinheiro.

Ms le Roux very bravely recited a Zulu poem and the DHS Band got things going with a bang. Ms Rungan then wowed the audience with her incredible voice.

Performances of singing, dancing, rapping, poetry and a motivational talk followed, put on by our DHS Boys, Pinetown Boys' High, Kloof High, Hunt

## Grade 11 Dance

The Grade 11 Dance is to be held on Saturday 1 September at 18h00 in the AJ Human Room.

Tickets for the dance are R150 per person, which includes a light meal. Dress for the evening is smart, ie jacket and tie.

A reminder that at the end of this term all Community Service Cards will be collected by class tutors so please ensure that hours are completed.

Our annual support of Open Air School for Casual Day will take place on Friday, 7 September. Although we will not be dressing casual we will still reward those who buy a sticker with Community Service hours and we hope to have a reward for the class that raises the most money. So please support this worthy cause.

Thank you!

### FOOTBALL vs GLENWOOD

#### 1<sup>st</sup> XI Match Report:

Over the past 4 years Glenwood have dominated in Football, beating School 5-0 in 2017. On Saturday the rapidly improving DHS 1st XI took them on with a quiet confidence befitting School's 152 year history.

Battle lines were drawn and at 12h00 on Saturday the game commenced, with a blue wave of energy surging and pressing, suffocating the Glenwood play makers deep in their own half. Decisive challenge after decisive challenge and fast break after energy-sapping fast break gradually began to rock the core of the guys in Green, causing them a great deal of frustration.

A call from DHS' Captain Mthimkhulu echoed around the field, "Keep going, we have them!" This was another sign of the first half tactical dominance by DHS. Hlomuka and Thyssen, two speedy technicians, each took turns in testing the Glenwood keeper, only being denied by a combination of luck and the wood work. DHS' back four, although tested, were seldom troubled in the first stanza, with goalkeeper Memela restricted to being the fulcrum of the Horseflies build up play. A fantastic first half drew to a close with the score still level at 0-0, but with DHS edging the balance of play, showing clearly their desire to be Durban's number 1 Football school again.

The second half kicked off and, apart for a brief 5 minute period, it was more of the high intensity and stylish play from DHS. With 10 minutes left of the ferocious battle and, with DHS forcing Glenwood to remain in their defensive half, Bahlebonke Made received a pass from Buthelezi, after another fantastic high press, turned it to

his left foot and, like a piston rod striking through the drive wheel, struck home the ball from 30 yards. The ball was hit so furiously it left the keeper startled by the strike and the energy and preciseness of his opponent.

When the referee called the game 10 minutes later, the final score was 1-0 and the triumphant Blue Express had made a bold statement.

### FOOTBALL vs CLIFTON

#### 1<sup>st</sup> XI Match Report:

The DHS 1<sup>st</sup> XI Football team's second fixture of the 2018 season took place at Clifton's home venue of Riverside on Monday 6 August 2018.

DHS flew out the blocks and dominated the game with their energetic pressing and high tempo passing style. It was not long before this level of play resulted in a goal from a fast counter attack which Jamarie fired into the bottom corner. This lead was doubled soon after when Staplefelt bent a superb shot into the top corner from outside the box after an excellent passage of play from DHS created the space for him. The half time score of 2-

0 was a fair reflection of the game.

The second half was much of the same, with DHS enjoying the lion's share of the controlled possession. The team scored a well-earned third through Mdletshe when, after some quick interplay, he was set up inside the small box and scored. With School leading 3-0, the game was called 10 minutes early, which probably stopped DHS adding the exclamation mark fourth goal.

In the end, a great performance resulted in an excellent result.
