DHS Win Drumline Competition!

Durban High School hosted the KZN Schools Drumline Competition for the third time since its inception in 2017, on Wednesday 14 August 2019.

High Schools from around KwaZulu Natal were invited to participate in this exhilarating, fast paced event which was initiated by the Head of Music at DHS, Natalie Rungan. According to Miss Rungan, the inter-school event was designed to open up new avenues of participation in schools' Drumline activities, providing learners with an opportunity to compete on a provincial level. The battle units consisted of five or more members who prepared three 1:30 - 2:00 minute performance routines.

The level of competition was extremely high this year, which made it particularly difficult for judges to decide on the overall winner. However, Durban High School's Drumline came out on top as the 2019 Winner.

Many agreed that their "swagger" and exceptional coordination between skill and movement is what set them apart from the others. Their coach Bruce Baker, one of the most accomplished professional drummers in South Africa, has worked rigorously with the team to ensure that they were sufficiently prepared.

This annual event, which is free and open to the public, continues to grow each year. The date for next year has already been set for 12 August 2020.

FOOTBALL

Cowie Cup Match Report vs Kloof:

Tuesday 6 August saw a spirited DHS 1st XI Football team vs Kloof High School in the first round of the Cowie Cup.

DHS, despite playing attractive football, had been winless with their last two encounters ending in draws. Knowing that the Kloof fixture was a cup game and therefore a draw not possible gave the DHS boys extra impetus to put in a strong performance.

However, the game didn't go to plan as School conceded late in the first half going into the break 1-0 down. The second half required DHS to be patient and trust their game plan to wear down their opposition. Waves and waves of sustained attacking pressure led to the opening goal from the Captain, Josh Reddy. It was a true captain's goal which saw the young men stepping up to put his side back into the cup. The momentum from the goal and the DHS supporters saw the first team pull together a string of very well-orchestrated attacking moves, with one of them being converted by Andile Langazane. The game ended in a well-deserved win for the 1st team as they booked themselves into the next round of the Cowie cup vs Port Shepstone

Cowie Cup Match Report vs Port Shepstone:

After the long weekend break DHS' 1st XI Football side had a tough Monday afternoon with the Cowie Cup Quarter final encounter against Port Shepstone.

The first half was played at a blistering tempo, with both teams looking to get an early start. Unfortunately for the spectators, the speed of play was not matched by the quality of play as both teams looked rusty from the weekend break. However, DHS was able to win a penalty after a Port Shepstone player handled the ball in the box,

which was duly converted by Bahle Made. DHS went into the halftime break 1-0 up.

The inclement weather also effected the quality of play as both teams struggled to get meaningful sequences of passing together. School chose to close out the game in a more conservative manner by playing the ball as far away from their goalkeeper as possible and defending their lead for the remainder of the game. DHS are now through to the semi-finals.
