Electives Programme 2020

On Monday 3 January the 2020 Elective programme will begin.

The past two weeks has given the boys the opportunity to find out about all the wonderful electives we are offering this year.

It has also given those wanting to enrol in the Sports Academies an opportunity to experience the level of coaching the academies will offer and how it can take their sport to the next level.

In 2020 we have added a number of exciting new electives to entice the boys and help them develop skills required for their future. Behind the scenes we have been working very hard to develop relationships with outside organisations which enable us to offer certified courses that are relevant, and at the same time offer courses that are affordable for our boys.

Exciting new additions include The Principles of Flight Course, which allows boys the opportunity to complete a number of modules that are required to complete a commercial pilot's licence. Focus Air have partnered with us to offer this fantastic course for anybody interested in following a career in the aviation industry.

The Hilton Hotel Group will be offering a passport to success course for our boys. This course involves an introduction to the hospitality industry as well as a strong element of social entrepreneurship. It also provides a work experience at the Hilton Hotel Durban. Boys who complete the course will be

accredited with a certificate which has a global accreditation.

Newbridge College will also be offering a new Digital Citizenship and Web development course that will give our boys a better understanding of how to develop and thrive in a digital world. Once again this is an accredited course that boys can add to their portfolio.

These three courses are just a few of the new and existing courses that provide invaluable opportunities for DHS boys to further their knowledge and get excited about learning a new skill.

We hope all boys embrace this opportunity to develop themselves further. It is indeed an exciting time to be attending DHS.

WATER POLO : GREY COLLEGE TOURNAMENT

The Water Polo team left Durban in the early hours of Thursday morning and enjoyed an event free trip to Bloemfontein. We arrived with ample time to have a decent stretch and were ready for our first match of the tournament.

In general, the boys played well. However, the lack of match time resulted in a total lack of intensity. We enjoyed solid wins in our first two matches, playing a full defence. The match intensity was satisfactory and we did score some brilliant goals.

One day two, the movement dropped dramatically. Our body positions were completely wrong and the decision making was woeful. Our play was too slow and very predictable. The team was soundly beaten by St Stithians, the eventual winners of the tournament. This lacklustre intensity continued into our next match against Northwood, a match we should have won.

After a deep team talk, the boys then bounced back and had a very good win against Stirling from East London. Unfortunately, it was a little too late and we did not qualify for the quarter finals. To put into perspective the overall performance, St Peters, whom we beat soundly were able to make it through to the quarter finals ahead of us.

Our final match was against a solid Affies team. Their team had played a unique brand of physical polo and the match was always going to be a tough encounter for our boys. As such we played a channel press, which avoided any player contact, which completely neutralised their attack.

Results:

Itec Inv won 12-3
St Peter's won 13-4
St Stithians lost 4-14

Northwood lost 0-4
Stirling won 8-4
Affies won 6-5
