Well Done to the DHS Swimmers!

The 2020 swimming season was one of great excitement. The boys started the season slowly and gained momentum as we progressed. Huge emphasis was placed on the technical aspects of each stroke and with that we were able to eliminate any possible disqualifications.

Elite swim coach Mrs D McLeod continued working as the Head Coach and she was assisted by Mr M Nixon-James. Both added immense value to the programme and the results were evident. Every swimmer gave 100% in the events.

The team was very well led by Breydon Remley. His administration at the galas was excellent.

The Championship Gala was a fantastic event and all races were very competitive. The final placings were as follows:

1 st	Swales	114
2 nd	Payne	97
3 rd	Langley	84
4 th	Blackmore	58
5 th	Grice	50
6 th	Campbell	32

In the interschool galas, the junior age groups again added incredible value to School's swimming team. These age groups were regular top two finishers in their respective events, the

highlight being the three U15 victories in the D&D Gala.

In total, the swim team participated in two warm up galas and competed in the four competition galas. The result at the Alan Burt Gala was disappointing, but from thereon the boys posted brilliant results:

Chasing Mandela's Rainbow

Phendulani Buthelezi, Head Prefect and Captain of Rugby in 2017, features in a film which is premiering in KZN at the Suncoast Cine Centre Cinema on 6 April.

This award winning movie was filmed during the course of 2017 and parts of the movie were filmed at DHS as the film crew followed Pepsi around. It features three school children from South Africa, one of whom was Phendulani. Pepsi is now a 3rd year engineering student and a member of the Sharks rugby team.

Chasing Mandela's Rainbow was directed and produced by Gary E Janks.

"Mandela's South Africa has been an unrelenting struggle between utopian hope and painful reality. Three school students, aided by their teachers, want to join the success story this country was meant to become, post-Apartheid. They strive for recognition, dream of their place within a society, meant to work for all. Their dissimilar backgrounds and battles illustrate why Mandela's vision never quite materialised and is still, a haunting and illusive rainbow."

This compelling and moving documentary has been selected for 16 film festivals, has won the Audience Award for the Best Documentary at the Cinema At the Edge in Santa Monica LA in the USA, has won the Best Education Challenge award at the Helsinki Education Film Festival International, screened in October 2019 as the gala night film of the Toronto South African Film Festival and in November 2019 it was judged the Best Message winner in the youth section at an International Audiovisual Film Festival in Venezuela. It has been bought by two TV broadcasters in Europe (Sweden and Germany) and will be broadcast worldwide in four languages (English, German, Spanish and Arabic). The trailer for the movie can be seen at: <https://vimeo.com/294382384>

All DHS Boys, Old Boys, Parents and Staff are invited to purchase tickets to attend the KZN Premiere on 6 April. Mr Janks assures us: "It definitely will everyone connected with DHS feel very proud!"

Details on how to book tickets for the movie will be provided closer to the time.
